

DE LAS

Grands Vins de la Vallée du Rhône

VIN DE PAYS, PAYS D'OC VIOGNIER

Characteristics

- This wine is been made from grapes grown on the slopes of the Pont du Gard, on limestone-clay soils formed in the Villafranchian stage.
- Average production: 150,000 bottles (75 cl.) per year.
- Grape variety: 100% Viognier.

Maturing

In order to keep the wines fresh, and to bring them balance and delicacy, they do not undergo malolactic fermentation. They are held in stainless steel tanks until bottling time, which takes place after a light fining and filtration, ensuring that the wine remains stable.

Wine making

Most of the time, the grapes are harvested at night, in order to take advantage of the cooler temperature at the time of the vatting. After destemming, the grapes are transferred to the tanks for low-temperature maceration and skins contact process. Once pressed and the grape sediments set, the alcoholic fermentation is stimulated by specific inoculation.

Tasting notes

An intense, bright colour, with a golden hue.

To the nose the specific aromas of the grape variety are to the fore, with apricots, peaches, exotic fruits and preserved citrus fruit.

The palate is both smooth and fresh, finishing on dried fruits hint.

Food and Wine affinities

Cold cuts, steamed fishes with lemon and butter sauce. Asparagus, artichoke.

MAISON FONDÉE EN 1835

Etablissement de production : Z.A. de L'Olivet - 07300 ST JEAN DE MUZOLS - Tél : 04 75 08 60 30 - Fax : 04 75 08 53 67
